

THE JOY OF GIVING @ SVS Khaled Ebn EL Walid School in Kerdasa

This is how SVS celebrates Christmas!

What a wonderful way to end the first term! SVS had launched a campaign where SVS students will be offering instead of receiving, our children have decided to put a smile on less fortunate kids' faces.

In collaboration with Hamley's, a huge quantity of gifts were donated to host our 3rd "child to child donation campaign this year, where our 2nde, 1ère & Terminale Lycée Voltaire students took this initiative with a less privileged school in Kerdasa (Khaled ebn el walid school) The students got the moral of the visit:

- 1- appreciate what you have, as it's not by default.
- 2- feel the responsibility towards the less fortunate, as serving the community is a duty.

This will be a yearly initiative which we hope students will look forward to.
