

SCHOOL UNIFORM DRIVE

DONATE NEW & GENTLY USED UNIFORMS
FOR STUDENTS IN NEED

SCHOOL UNIFORM DRIVE

دعم طلبة المدارس الفقيرة بالصعيد

Dear Parents,

In continuity to the **“SVS School Community Service Program”**, Kipling School & Lycée Voltaire have initiated a Uniform Drive last year, through which we have managed to cover:

- 3 schools in Menia (with Esma3ona NGO) around 1000 students.
- 3 community schools in Fayoum (with Misr el Kheir organization) around 180 students.
- an orphanage in Luxor (with Esma3ona NGO) around 500 children.

The aim here is to educate our students and raise awareness in the community. Therefore, we are in the process of developing more charitable projects in Egypt, that involves the students by: providing awareness sessions, encouraging donations, developing promoting skills among others, involvement in preparations, planning programs and visiting the targeted areas in different regions in Egypt.

If you wish to contribute to this charitable campaign, please drop off all the old UNIFORM to the school's reception. We will be offering poor schools in Upper Egypt with a proper uniform, as every child has the right to education.

Thank you for putting a smile on the children's face.

Only with your constant donations, can we keep it running.
